

STATEMENT OF SUBSTANCE OF INTERVIEW

[0002] Examiner Gee graciously talked with the undersigned representative for the Applicant, Ningning Xu, on January 7, 2010. Applicant greatly appreciates the Examiner's willingness to talk. Such willingness is invaluable to both of the Examiner and the Applicant in our common goal of an expedited prosecution of this patent application.

[0003] During the interview, Examiner Gee and the Applicant's representative discussed proposed amendments to overcome the pending rejections under 35 U.S.C. §§ 101 and 112. Examiner Gee was receptive to the proposals. Applicant's representative understood Examiner Gee to tentatively concur that the proposed amendments would overcome the above rejections.

[0004] Applicant herein amends the claims in the manner discussed during the interview. Accordingly, Applicant submits that the pending claims are allowable for at least the reasons discussed during the interview.
